[illegible][illegible]

DI

A blank sheet of graph paper with a grid pattern. The grid consists of small squares formed by thin black lines. On the left side, there are seven small circles, one next to each horizontal row of the grid, likely serving as a margin or index marker. The top edge of the page has a slightly wavy, hand-drawn border.A hand-drawn sketch of a notepad. It features five circular binder holes along the top edge. The word "SAMEDI" is written in a bold, hand-drawn font in the top right corner. The notepad has horizontal lines and a small tab is visible at the bottom right.

## PLANIFICATEUR HEBDOMADAIRE

A blank, lined notepad with a header section. The header has five circles on the left and the word "SAMEDI" in brown capital letters on the right. The notepad has horizontal blue lines and a folded bottom-right corner.This image shows a single sheet of white paper with horizontal blue lines for writing. A red line runs horizontally across the top of the page, creating a margin. The paper is otherwise blank, with no handwriting or other markings.A blank sheet of graph paper with a light blue grid pattern. The grid consists of small squares. On the left side, there are eight small circles arranged vertically, corresponding to the rows of the grid. The top edge of the grid is slightly irregular, suggesting it might be a scan of a physical sheet.[illegible]

## PLANIFICATEUR HEBDOMADAIRE

A hand-drawn illustration of a notepad. The notepad has a white surface with horizontal blue lines. At the top, there are five small circles representing binder holes. In the top right corner, the word "VENDREDI" is written in a brown, hand-drawn font. The notepad is shown with a slight shadow and a small piece of a brown object, possibly a pencil or eraser, visible at the bottom right corner.[illegible][illegible]

Diagram of a square with side length 1. The top side is labeled '1'. The left side is labeled '1'. The bottom side is labeled '1'. The right side is labeled '1'. The interior of the square is labeled 'DI'.

A decorative graphic consisting of two horizontal bands. The top band is brown with a white grid pattern. The bottom band is light brown with a white dotted pattern. Both bands have a pointed right edge.[illegible]A hand-drawn illustration of a notepad. At the top left, there are five small circles representing binder holes. To the right of these holes, the word "SAMEDI" is written in a bold, brown, sans-serif font. The notepad itself is white with horizontal blue lines. The bottom right corner of the notepad is folded over, showing a white underside. The entire illustration is set against a light gray background.

## PLANIFICATEUR HEBDOMADAIRE

A hand-drawn sketch of a notepad. It features five circular binder holes along the top left edge. The word "LANDI" is written in a simple, hand-drawn font in the top right corner. The notepad has horizontal lines and a small tab is visible at the bottom right.[illegible]This image shows a blank sheet of white paper with horizontal blue lines for writing. Two red lines are drawn near the top edge, creating a header space. The right portion of the page is obscured by a solid orange rectangle, which likely represents a book cover or binding.

DI

[illegible]A hand-drawn illustration of a notepad. On the left side, there are five small circles representing binder holes. In the top right corner, the word "MARDI" is written in a brown, hand-drawn font. The notepad has horizontal blue lines and a folded bottom-right corner.

## PLANIFICATEUR HEBDOMADAIRE

A hand-drawn illustration of a notepad. The notepad has a white background with horizontal blue lines. At the top, there are five small circles representing binder holes. In the top right corner, the word "VENDREDI" is written in a brown, hand-drawn font. The notepad is shown with a slight shadow at the bottom, suggesting it's resting on a surface.[illegible][illegible]

DI

A blank sheet of graph paper with a grid pattern. The grid consists of small squares formed by thin black lines. On the left side, there are seven circles arranged vertically, each centered on a horizontal grid line. These circles appear to be part of a larger diagram or exercise, but they are not fully drawn and do not contain any text. The rest of the page is empty grid paper.A hand-drawn illustration of a notepad. At the top left, there are five small circles representing binder holes. To the right of these holes, the word "SAMEDI" is written in a bold, brown, sans-serif font. The notepad itself is white with horizontal blue lines. The bottom right corner of the notepad is folded over, showing a white underside. The entire illustration is set against a light gray background.
